Subject: RE: Funding for UIC Contracts

I am prepared to discuss at the 11 am meeting, but the short answer to (1) is yes and (2) probably no, but Wendy knows Chris's schedule and can elaborate.

Subject: Funding for UIC Contracts

Two quick questions I probably forgot the answers to:

Do we have enough funding secured at least through 9/30/17 to cover anticipated contractual hours for:

- 1) Cadmus' time for support on the DB comments?; and
- 2) Chris Wong/CGI's time for support on the R8 UIC dbase?

This will help inform near term decisions on UIC budget for our meeting today at 11 am.

Thanks,
